

MISSION WEEK VOLUNTEER OPPORTUNITIES

High School Team Leader (MOST NEEDED)

Step into a meaningful role as a High School Team Leader! You'll mentor and guide a group of students throughout Mission Week, leading them at their work sites and facilitating impactful small group discussions with the help of a leader guide. At least one Team Leader in each group will drive a van, ensuring students get to their projects safely. Whether your group is working on a construction project or partnering with a local organization, you'll play a vital role in helping students see the value of serving others. High School Team Leaders commit to being on campus for the entire week, including overnight stays—an immersive experience that leaves a lasting impact on both students and leaders.

Middle School Team Leader (MOST NEEDED)

Serve as a Middle School Team Leader and make a difference! You'll mentor and guide students at their work sites, lead small group conversations with a leader guide, and help students process their experiences. At least one leader will drive a van for your group, transporting students safely to their projects, whether it's a construction site or a partnership organization. You'll also get to participate in fun afternoon activities. Middle School Team Leaders commit to being present each day from 7:15 AM to 8:30 PM, creating a powerful, hands-on experience for students.

Project Coordinator

Serve as a key connection between our Missions & Serving staff, homeowners, and work teams. You'll provide troubleshooting support, deliver materials, and visit multiple worksites. Your expertise and adaptability will ensure that each project runs smoothly.

Shower House

Offer your home as a Shower House—a space where students can recharge after a long day of service. You can provide snacks, drinks, or even pool access if available, but your warm hospitality alone is a blessing to these hardworking teams.

Snack Squad (Day)

Fuel the energy of our work teams as part of the Day Snack Squad! You'll provide snacks and refreshments to students at their worksites, giving them a much-needed boost to keep serving strong. It's a simple way to make a big impact!

Snack Squad (Evening)

Help wrap up the day with a treat as part of the Evening Snack Squad! You'll prepare and distribute snacks to high school students and volunteers during evening hangout time, adding a fun and delicious end to their day of service.

Sleep Squad

Be a part of the Sleep Squad and help create a safe, supportive overnight environment for our high school students! You'll arrive in the evening and stay overnight at the church, ensuring there are trusted adults present. Whether it's offering a listening ear, keeping watch, or helping students wind down from a long day of service, your presence will make a meaningful difference.

Mission Store

Join the Mission Store team and help create a fun experience for students! You'll organize, stock, and manage the store where students can pick up swag, snacks, and more. The store operates during breakfast and dinner, making it a great way to connect with students while keeping things organized.

Van Pick-Up

Assist with transportation logistics by joining the Van Pick-Up team! On Sunday afternoon, you'll help drive rental vans back to our campus, ensuring everything is ready for the week. It's an easy yet essential way to support the smooth flow of Mission Week.

Van Drop-Off

Help wrap up Mission Week by serving on the Van Drop-Off team! On Thursday afternoon, you'll assist in returning rental vans, making sure they're delivered safely back to the rental company. It's a quick and crucial way to help us finish strong.

Fun Squad

Bring energy and joy as part of the Fun Squad! You'll help coordinate evening activities, games, and downtime for students, creating a positive, memorable experience that builds community and connection.

Security

Play a critical role in keeping Mission Week safe as part of the Security Team. You'll monitor entrances, assist with traffic flow, and ensure students and leaders feel secure. Your presence during evening activities, pick-up times, and building transitions helps maintain a safe, supportive environment.

Nurse

Use your medical expertise to care for our students and volunteers as a Mission Week Nurse. You'll manage first aid, distribute medications, monitor health needs, and provide compassionate care. You'll primarily serve during check-in, breakfast, and dinner, helping everyone stay healthy and ready to serve.
